

2024 Annual Sponsorship Opportunities

Diamond \$18,000 + | If you are interested in a higher sponsorship level, we would be happy to meet with you and customize an opportunity to showcase your business.

For 120 years, the Buffalo Jewish Federation has been at the center of building Jewish community in Western New York. With generous support from individual donors and corporate sponsors like you, we can strengthen our partner agencies, offer opportunities to families, teens, and adults to live & learn Jewishly, be part of building a more civil and caring community, address antisemitism, support Jews and their families in need locally and across the globe, and so much more. Today's Federation inspires individuals to access Jewish tradition in powerful and transformative ways, rousing collective energy and action throughout our network of communities.
