

As we look ahead to 2025, we are thrilled to highlight these impactful initiatives that embody our mission to

REMEMBER TEACH EMPOWER

Through dynamic educational programs, expanded partnerships and immersive experiences we are reaching new communities and ensuring that the lessons of the Holocaust remain relevant, foster understanding, and empower individuals of all ages to take an active stand against antisemitism and injustice, building a future rooted in awareness, compassion, and action.

MONTHLY SURVIVOR GATHERINGS

Monthly survivor gatherings in partnership with the Jewish Community Center and Jewish Family Services enable Holocaust survivors to connect, share and enjoy meaningful experiences together. They offer vital social interaction, engaging outings and uplifting entertainment.

THE KINDNESS SUITCASE

The Kindness Suitcase is an engaging educational tool aimed at teaching children in Grades K-3 about respect, tolerance, and empathy. This resource honors the heroic actions of Sir Nicholas Winton, who saved 669 Jewish children by placing them on the Kindertransport, as well as Michael Bond's creation of Paddington Bear, representing the Kindertransport children who arrived at Reading Train Station. Each Kindness Suitcase is thoughtfully packed with 15 curated books, 30 resources, and a Paddington Bear, which is generously gifted to elementary school librarians to help teach about the Holocaust in a sensitive and age-appropriate manner.

THE MOBILE MUSEUMS OF TOLERANCE

A project by the Simon Wiesenthal Center, the Mobile Museums of Tolerance uses a combination of immersive technology and facilitated dialogue to provide NY State standard and curriculum-aligned workshops on the Holocaust, Civil Rights, hate, propaganda, discrimination and dehumanization for students in grades 5-12.
