We are thrilled to highlight these impactful initiatives that embody our mission to

REMEMBER TEACH EMPOWER

Through dynamic educational programs and expanded partnerships, we are reaching new communities and ensuring that the lessons of the Holocaust remain relevant, foster understanding, and empower individuals of all ages to take an active stand against antisemitism and injustice, building a future rooted in awareness, compassion, and action.

SURVIVOR GATHERINGS (REMEMBER)

Monthly survivor gatherings in partnership with the Jewish Community Center and Jewish Family Services enable Holocaust survivors to connect, share, and enjoy meaningful experiences together. They offer vital social interaction, engaging outings and uplifting entertainment.

THE KINDNESS SUITCASE (TEACH)

The Kindness Suitcase is designed to teach children in grades K-6 about respect, kindness, acceptance, and empathy through learning about upstanders during the Holocaust in an age-appropriate way. Gifted to 95 elementary and middle schools across Western New York, the goal is to encourage our youngest learners to make a difference in their school, community, and our world.

EDUCATOR AND LIBRARIAN CONFERENCES (EMPOWER)

Conferences for educators and librarians provides informative and engaging Holocaust education resources. These programs connect teachers and librarians with expert speakers, and high-quality curricular materials to support meaningful, age-appropriate instruction. By equipping participants with knowledge, and practical tools, these conferences help ensure that the history and lessons of the Holocaust continue to be taught with accuracy, empathy, and impact.
